INTERNATIONAL

# ANIME 2022

From modest beginnings in 1992 as a wholesaler of pop culture posters, Pyramid International has developed into the thriving multi-national organisation that it is today. 2022 is a pivotal year as we celebrate our 30th anniversary with an ever-expanding portfolio of licences covering a multitude of genres.

Our centrally located Leicestershire Head Office and manufacturing hub is the beating heart of a multi-national operation with offices spanning the globe, including the USA, Australia, China (including a Hong Kong showroom), Germany, France and The Netherlands.

Our products range from stationery to hydration, apparel to wall art – and so much more in between. Our exciting licencing family includes Disney, Warner Bros, Stranger Things, Star Wars, PlayStation, Marvel, Universal Pictures and Nintendo, as well as an extensive portfolio of music artists, anime and pop culture favourites.

This catalogue is just the tip of a very large iceberg and highlights just a snapshot of our range. For a complete and up-to-date product offering, please visit us at:

Anime is a genre that has seen an increase in popularity like virtually no other over recent years.

The definition of anime is: 'a genre of film and television animation created in or influenced by the traditional style of Japanese 2D animation and characterised by highly stylized, colourful art and fantastic settings.' Although its origins date back to the early 19th century, anime as we know it has really started to become an established part of our pop culture since the start of the twentieth century – and is attracting a growing fan base year-on-year.

Anime and all things 'East Meets West' has become a large part of the Pyramid portfolio and for the first time, we have dedicated a brochure to Japanese inspired culture.

Japanese pop-culture inspired artist *Vincent Trinidad* and the design team *Illustrata* both have extensive ranges including wall art, apparel and tableware including Ramen, Sake and Sushi sets.

With a huge range of products across titles like *Dragon Ball Z*, *My Hero Academia*, *Yu-Gi-Oh!*, *One Punch Man* and *One Piece*, Pyramid is the place to visit for one of our current biggest selling genres, a theme which looks set to continue well into 2022 and beyond.
