INTERNATIONAL

From modest beginnings in 1992 as a wholesaler of pop culture posters, Pyramid international has developed into the thriving multi-national organisation that it is today. 2022 is a pivotal year as we celebrate our 30th anniversary with an ever-expanding portfolio of licences covering a multitude of genres.

Our centrally located Leicestershire Head Office and manufacturing hub is the beating heart of a multi-national operation with offices spanning the globe, including the USA, Australia, China (including a Hong Kong showroom), Germany, France and The Netherlands.

Our products range from stationery to hydration, apparel to wall art – and so much more in between. Our exciting licencing family includes Disney, Warner Brothers, Stranger Things, Star Wars, PlayStation, Marvel, Universal Pictures and Nintendo, as well as an extensive portfolio of music artists, anime and pop culture favourites.

This catalogue is just the tip of a very large iceberg and highlights just a snapshot of our range. For a complete and up-to-date product offering, please visit us at:

2022

Unquestionably one of the world's most iconic brands, Disney was established in 1923 by Walt Disney. From its beginnings 99 years ago, Disney is a brand that has continued to diversify and grow, constantly engaging with audiences across the globe.

Recent years have seen Disney expand its universe to include Marvel and Star Wars, as well as the launch of their on-demand video service Disney+ enabling Disney and its many beloved characters to enter homes worldwide and become an intrinsic part of daily life.

Always innovating, new favourites join the Disney family of characters and properties with time honoured regularity, and 2022 looks set to be no exception.

Spring will see the release of Pixar's *Turning Red*, which details a young girl's struggle with the chaos of adolescence. As if the usual teen dramas weren't enough, whenever she gets too excited, she becomes a giant red panda!

In June, Disney and Pixar release *Lightyear*, a Toy Story prequel sci-fi action-adventure will explore the story of Buzz Lightyear – the hero who inspired the toy from the ever-popular Toy Story series of movies.

The Marvel Cinematic Universe looks forward to the arrival of *Doctor Strange*, *Black Panther 2*, *Thor Love & Thunder*, *Ms. Marvel* and *She-Hulk*. With newness from the Star Wars universe in the shape of the long-anticipated Disney+ series *Obi-Wan Kenobi* (a stand-alone spin-off focussing on everyone's favourite Jedi) and *Andor* (the prequel series to *Rogue One*, following the adventures of Cassian Andor during the formative years of the Rebellion).

Welcome to our Disney, Marvel & Star Wars 2022 brochure!
