INTERNATIONAL

GAMING 2022

From modest beginnings in 1992 as a wholesaler of pop culture posters, Pyramid International has developed into the thriving multi-national organisation that it is today. 2022 is a pivotal year as we celebrate our 30th anniversary with an ever-expanding portfolio of licences covering a multitude of genres.

Our centrally located Leicestershire Head Office and manufacturing hub is the beating heart of a multi-national operation with offices spanning the globe, including the USA, Australia, China (including a Hong Kong showroom), Germany, France and The Netherlands.

Our products range from stationery to hydration, apparel to wall art – and so much more in between. Our exciting licencing family includes Disney, Warner Bros, Stranger Things, Star Wars, PlayStation, Marvel, Universal Pictures and Nintendo, as well as an extensive portfolio of music artists, anime and pop culture favourites.

This catalogue is just the tip of a very large iceberg and highlights just a snapshot of our range. For a complete and up-to-date product offering, please visit us at:

The gaming industry is certainly on a winning streak, witnessing what can only be described as unprecedented growth in recent years. The Covid-19 pandemic has only served to accelerate this spectacular acceleration with the notion of a 'typical gamer' becoming a thing of the past – when we were confined to our homes old consoles were dusted down, fuelling a renaissance of a whole host of retro gaming, as well as a new way for millions of consumers worldwide to while away the hours.

The value of the video game market worldwide has increased massively over the past decade and is forecast to grow even further in the upcoming years, surpassing the 200 billion U.S. dollars mark in 2023.

Pyramid has increased its portfolio of gaming products and ranges, with a wide variety of licenses to suit all tastes from Halo to Crash Bandicoot; Elden Ring to our award-winning Animal Crossing range, and everything in between. Always in demand are our growing PlayStation, Super Mario and Pac-Man collections.

Pyramid International are proud to support such a fast-moving, developing, and popular genre with an ever-expanding range of products, designed with fans in mind, which are guaranteed to drive retail success. Game On!
