

NETFLIX 2022

From modest beginnings in 1992 as a wholesaler of pop culture posters, Pyramid International has developed into the thriving multi-national organisation that it is today. 2022 is a pivotal year as we celebrate our 30th anniversary with an ever-expanding portfolio of licences covering a multitude of genres.

Our centrally located Leicestershire Head Office and manufacturing hub is the beating heart of a multi-national operation with offices spanning the globe, including the USA, Australia, China (including a Hong Kong showroom), Germany, France and The Netherlands.

Our products range from stationery to hydration, apparel to wall art – and so much more in between. Our exciting licencing family includes Disney, Warner Bros, Stranger Things, Star Wars, PlayStation, Marvel, Universal Pictures and Nintendo, as well as an extensive portfolio of music artists, anime and pop culture favourites.

This catalogue is just the tip of a very large iceberg and highlights just a snapshot of our range. For a complete and up-to-date product offering, please visit us at:

Netflix has come a long way since its beginnings as an online DVD rental service back in 1997. Today it is the biggest online, on-demand streaming service in the world – bringing a multitude of movies, TV series, documentaries, and Netflix originals to the masses.

Pyramid boasts a number of Netflix series and originals in our portfolio. One of the TV sensations of 2021 was Squid Game. The cult TV series aired in September 2021 and in a matter of weeks became the most watched TV series in the world, with a second season in the planning. Keep an eye on the website for new Squid Game merch arriving throughout 2022.

Undeniably one of the most popular and best-selling licenses for Pyramid has been the hugely successful Stranger Things. The long anticipated fourth season lands in the summer, and along with it a huge range of future favourite products. Cobra Kai season 4 and The Witcher season 2 saw late 2021 Netflix releases with both enjoying a warm welcome back from new fans and old.

What else will Netflix 2022 bring? Whatever the answer, you can guarantee that Pyramid will offer you a range of exciting, original merchandise that will keep customers coming back for more!
