30 YEARS OF AWESOME MERCH
pyramid
INTERNATIONAL

From modest beginnings in 1992 as a wholesaler of pop culture posters, Pyramid International has developed into the thriving multi-national organisation that it is today. 2022 is a pivotal year as we celebrate our 30th anniversary with an ever-expanding portfolio of licences covering a multitude of genres.

Centrally located in the heart of England, our Leicestershire Head Office and manufacturing hub is the beating heart of a multi-national operation with offices spanning the globe, including the USA, Australia, China (including a Hong Kong showroom), Germany, France and The Netherlands.

Our products range from stationery to hydration, apparel to wall art – and so much more in between. Our exciting licencing family includes Warner Brothers, Disney, Stranger Things, Star Wars, PlayStation, Marvel, Universal Pictures and Nintendo, as well as an extensive portfolio of music artists, anime and pop culture favourites.

This catalogue is just the tip of a very large iceberg and highlights just a snapshot of our range. For a complete and up-to-date product offering, please visit us at:

You can also follow us on these social media channels:

Founded in 1923, Warner Bros. Entertainment is one of the world's biggest entertainment studios. Its impressive portfolio includes DC Comics, Friends, Looney Tunes, HBO (including Game of Thrones), Cartoon Network (including Rick and Morty), and of course Harry Potter and J.K. Rowling's Wizarding World.

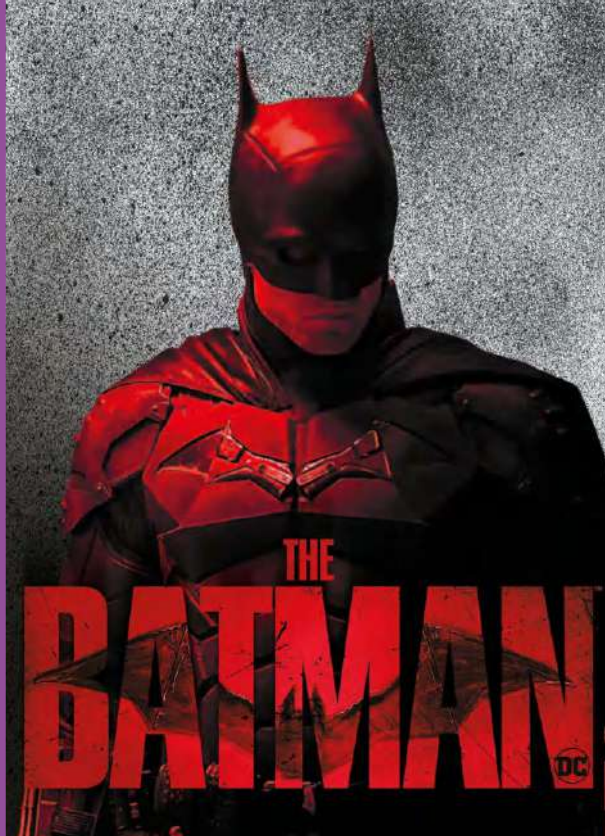

Warner Bros. are hurtling into 2022 with a whole host of exciting movie releases coming our way. First up is The Batman in March, which sees Robert Pattinson as Bruce Wayne doing battle with infamous nemesis The Riddler. Spring also sees Eddie Redmayne return in his role of Newt Scamander in the franchise's third instalment - Fantastic Beasts: The Secrets of Dumbledore.

Summer sees the release of DC League of Super-Pets; a animated adventure starring none other than Superman's dog Krypto, voiced by Dwayne Johnson, who coincidentally has the starring role in DC's Black Adam scheduled to hit the big screen in July.

There's more from DC in winter 2022, when fans can look forward to The Flash in November, followed by sequel Aquaman and The Lost Kingdom, which hits cinemas just in time for Christmas.

This catalogue is also home to collections across our Warner Bros. portfolio including Harry Potter, The Matrix, Game of Thrones, Rick and Morty as well as our classic WB horror range.

It's going to be quite a year!

Welcome to our Warner Bros. 2022 brochure!
